

## "HEINIE" GROH RE-INSTATED BY LANDIS

Chicago, June 5.—The "application of Henry K. (Heine) Groh. former captain and third baseman of the Cincinnati National League Baseball club for re-instatement to the active list, was granted today by Judge K. M. Landis, commissioner of baseball, "on the express condition, however, that Groh joins the Cincinnati team immediately and remains with it throughout the stason."

Groh had been placed on the ineligible list for failure to report to Cincinna.

chanal ream immediately and remains with it throughout the stason."

Grob had been placed on the ineligibility for failure to report to Cincinnati on account of salary disoute, within ten days after the opening or the present season. His application for re-instalement was supported by the Cincinnati olub.

GAME AT NEW LONON TODAY

The Academy team meets the Vocational team in the final league game of the season at Kornan field, New London, this (Friday) afternoon. This game means much to the local boss for if they win it will give them the league championship, but should they lose it will create atriple the between Norwich Billeley and Vocational.

natt club.

"It is not the intention," the decision said, of either the club or the player that Groth shall play with the Cincinnati team, but that after reinstatement he shall be traded to another team, because (as stated by the president of the shall be player contends that his usefulness to Cincinnati is lost and that he cannot do either himself or the club justice.

"The suggestion that the hold-out process may disqualify a player from giving his hest service to a public that for years has generously imported that player and his team, is an idea that will reseive no hospitality here. It is at war with the A II Ca of sportzunniship and impungs the integrity of the rame itself.

WORKOUT ON THURSDAY

"In view of these considerations, the force of which the commissioner must assume will, on reflection, be perfectly appearent to the parties, the application for reinstitutement is granted, on the express conditions, however, that Groch joins has Cincinnait team immediately and remains with it throughout the 1921 season."

There was no penalty imposed upon Groch other than the loss of salary to date because Judge Landin stated, the WORKOUT ON THURSDAY

#### today, and is now one and one-half pounds heavier than when he started training.

Manager Descamps said that there would be certain days for sparring and that Georges would be permitted to do that sort of work when it was needed. Jack Goldberg, the Panaman, who work-ed with Carpentier soveral weeks ago, visited the camp today looking for more. He was told to come back tomorrow. Paul Jouree, the sparring partner Geofges brought from Paris, appeared in the gymnasium today with a court lastered brow. Georges cut him slightly yesterday, during their sparring ses-

Johnny Coulon, former bantamweight champion was a visitor at the camp to-day. He evinced much surprise in Car-pentier's condition, "He looks 100 per cent better than when I knew him in France," he said.

In many instances, notably steels, supposents, fertilizers and chemicals, nimum prices were the lowest of the sar. I. S. Shel, at 75 1-2, came within a small fruction of its low level in almost two years. Sales amounted to \$99,000

The reversal, beginning at the outset, U S Steel progressed to the heavy close. Primary factors included increased demoralization in foreign exchange and Mexico's proposed heavy export tax on oils the factors of the proposed factors of the propose

posed heavy export tax on olds. Continued contraction of operations in the size and motor industries, additional price cutting and more dividend commis-

ext. Fine tunds were closely held, how-ever, except for prime collateral. Exchange on London broke to \$2.69 or 8.54 cents below yesterday's final quota-tion, and alightly more than 30 cents be-low the high of three weeks ago. Conti-nents! remittances suffered extreme re-

actions of 6 to 35 points, but railled sharply with sterling before the close. Interest in the bond market centered mainly in the state of New York gold lend offering, for which man, large lids were reported from banking syndicates. Mexican issues eased as a result of the break in oils, and European flotations were irregular. Most domestic bonds re-lected slightly the heaviness of stocks.
